Compassionate dentist with 12 years of experience cultivating healthy oral habits in patients and treating disease to restore health. Passionate about providing relief, education, and hope for patients.

WORK EXPERIENCE

Barton Associates - Associate Dentist

2014 - current

Houston, TX

- Supervised staff members to ensure streamlined patient scheduling in order to see 12-14 patients per day, up-to-date patient records, and equipment prepared for each day's load
- Promoted prevention care to keep 76% of patients healthy, using CAD software to engage patients
- Designed and communicated disease treatment plans to restore 94% of patients' oral health
- Applied anesthesia, used tools for restorative work, and performed extractions and root canals
- Prescribed medications for pain management, examined patients after restorative care with a follow-up appointment 1-2 weeks later, and encouraged prevention visits 2 times a year

Brighter Dental Center - Associate Dentist

2009 - 2014

Houston, TX

- Diagnosed conditions for 600+, and designed treatment in collaboration with team and patients
- Removed decay and plaque, extracted teeth, applied prosthetics, and performed root canals
- Examined teeth and gums after routine cleaning, encouraging preventative care and answering questions to help 72% of patients maintain optimal oral health
- Protected patient privacy, kept accurate records, and met daily with team to discuss day's work
- Updated knowledge by attending 300+ hours of educational trainings with dental associations

UT Austin Dental Center - Clinical Rotations

2006 - 2009

Austin, TX

- Rotated through 2 clinics, 1 hospital, and 2 nursing homes to learn and work alongside instructors
- Practiced dentistry with modern technology and equipment, including 4 implant systems
