### WORK EXPERIENCE

#### Busytoes Day Care

Child Caregiver

Boston, MA | 2019 - current

- Deliver safe and caring childcare in a daycare setting (average 46 total children per day) supporting ages three months to 10 years and collaborating with 12 other team members.
- Always provide collaborative and friendly partnerships through excellent communication and conflict resolution with all parents to build trusted and lasting relationships with the families and their children.
- Organize and implement group schedules for assigned children to ensure safety, educational stimulation, and physical activity on a regular and consistent basis.
- Observe and document children's behavior and progress; provide written and verbal updates to parents including proactive communication of potential issues or concerns therefore lowering incidents by 29%.

#### True Care

Child Caregiver

Boston, MA | 2010 - 2019

- Provided trusted child care services for four children (ages 1, 3, 7, and 10) during the work day and extended hours where needed.
- Comprehensive collaboration with parents including allergies, emergency contacts, food preferences, and other child-specific issues with an empathetic and caring attitude.
- Prepared healthy meals and snacks based on the family's meal preferences and schedule.
- Planned and implemented age-appropriate educational games and playtime activities.

#### Private

Nanny

Boston, MA | 2006 - 2010

- Responsibly cared for two children (ages 2 and 4) full-time and all household responsibilities fostering a trusted environment of childcare and family support.
- Managed all aspects of household including the household schedule, grocery shopping, cleaning, cooking, and laundry.
- Created educational activities customized to each child and their specific needs, keeping up-to-date with the best play-based research for optimal child development.
- Encouraged physical activity through walking, trips to the park, Gymboree classes, and play dates.
