### Work Experience

#### Life365 Portraits - Child Photographer

2019 - current

Houston, TX

- Created a comfortable setting for infants, toddlers and preschoolers in order to capture the child's natural expressions leading to an increase in repeat customers of 35%
- Cut down shooting time by 18% through more diligent prep to reduce incidences of restlessness among young children
- Maintained a rigorous standard of safety and confidentiality in order to comply with all minor privacy laws
- Provided guidance to parents interested in purchasing photo packages leading to \$150,000 in incremental sales
- Worked on-location at schools and proactively communicated with points of contact to ensure smooth and efficient shoots

#### Shutterfly - Preschool Photographer

2016 - 2019

Houston, TX

- Fostered a welcoming, friendly environment with teachers, parents, and students leading to a more positive customer experience and a 20% increase in customer satisfaction
- Communicated with schools and teachers to make the shooting process more efficient leading to a reduction in the average time on-location of 50%
- Created a process for inventory management of equipment reducing instances of double-booking by 10%
- Completed post production of large amounts of images with an average turn-around time of 5 days

#### BARK - Assistant Photographer

2014 - 2016

Houston, TX

- Worked closely with the product and marketing teams to understand the scope of new projects and communicated findings to creative team reducing the rate of re-shoots by 15%
- Processed images using Adobe Photoshop to be used in advertising and within the product app with a reach of over 500,000 users monthly
- Contributed creative ideas for composition and design to elicit specific moods and atmospheres in the images
- Worked closely with the lead photographer to establish proper lighting for product shoots reducing the time to complete shoots by 30 minutes on average
