CAREER OBJECTIVE

Certified Nursing Assistant excited to help residents at Christian Health Care Center feel healthy and at home. A detail-oriented mindset and warm personality have made me a valuable advocate for residents and their needs throughout my career.

WORK EXPERIENCE

Certified Nursing Assistant

Cranford Park Rehabilitation

2019 - current / Cranford, NJ

- Collaborated with 7 nurses in monitoring restorative care and other clinical programs, such as bowel and bladder care
- Designed and led a weekly music hour for residents, which averaged 40% total resident participation
- Created spreadsheet to keep track of equipment and supply needs used by the entire floor, keeping the D.O.N. informed of potential shortages
- Conducted periodic resident care and unit checks with appropriate documentation
- Ensured 14 CNAs followed best practices of medical asepsis, sterile techniques, and universal precautions
- Practiced effective sterilization of living areas and equipment, avoiding infection of 37 residents
- Monitored and recorded resident temperatures and blood pressure 3 times per day

Certified Nursing Assistant

Reformed Church Home

2017 - 2019 / Old Bridge, NJ

- Performed 100% of resident care functions, including grooming, hygiene, collecting vitals signs, ROM, proper body alignment, and transportation to activities
- Supervised resident care, built strong relationships, and reported any unusual condition, accident, or incidents to a team of 6 nurses
- Made rounds of 19 assigned residents at the beginning of each shift and at least every hour
- Assisted in the orientation and training of 4 new CNAs
- Worked with residents to serve meals and maintain detailed meal documentation 3 times per day
