## WORK EXPERIENCE

### Daycare Teacher

#### The Goddard School

📅 2019 - current

📍 Rochester Hills, MI

- Engaged 18 daycare children, consistently maintaining a 94% satisfaction rate among parents.
- **Increased participation by 18%** by fostering a fun learning environment with play-based learning, such as building with blocks and water play.
- Reinforced positive behavior with a sticker chart reward system, reducing behavioral issues in class by 42%.
- Provided artistic expression activities, which improved students' creativity and self-expression and boosted engagement by 15%.

### Childcare Worker

#### Rainbow Child Care Center

📅 2018 - 2019

📍 Livonia, MI

- Led lively dramatic play sessions, **fostering social and emotional development for 92%** of children.
- Performed child assessments, identifying developmental and behavioral weaknesses for 22% of children under care.
- Coordinated and supervised daily outdoor play, contributing to a 35% increase in children's physical activity levels.
- Assisted in planning and executing center events, including annual holiday parties and field trips.

## PROJECTS

### Founder

#### Little Einstein's Virtual Discovery Club

📅 2018 - current

- Founded and **grew a children's virtual science club to 1.3K+** active members within the first year.
- Hosted yearly virtual science fairs, showing club members' projects, with an average of 32 participants per event.
- Curated resources, compiling 400+ educational materials, including videos, articles, and hands-on activities.
- Designed and hosted over 100 virtual field trips, enhancing the learning experience for club members by exposing them to real-world science applications.
