CAREER OBJECTIVE

Team-oriented critical thinker with intern experience and relevant undergraduate coursework. Motivated to join a group of seasoned business analysts and cross-functional teammates at Professional Technology Integration, where I anticipate growth and the chance to prove my abilities by reaching clients as a Spanish speaker.

WORK EXPERIENCE

Business Analyst Intern

Bainbridge, Inc.

📅 August 2020 - current 📍 Pittsburgh, PA

- Performed in-depth research and analysis to **help 10+ Fortune 1000** companies stay ahead of their competition
- Compiled data using data visualization and Excel, working with 2 senior business analysts to infer meaningful insights that improved organizational processes for several companies, which saved a total of 90 man hours per month
- Participated in 100+ hours of in-house workshops and state-wide conferences to improve industry knowledge
- Contributed to presentation preparations, and offered discussion in client and stakeholder meetings
- Drafted client reports under the supervision of senior analysts, **receiving 100% positive feedback for alignment to client goals**
- Communicated strategies to analyst team, and received valuable feedback regarding approach to business observations

Administrative Assistant

GCSS Advisors

📅 February 2017 - August 2020 📍 Pittsburgh, PA

- Greeted 100+ guests and clients each shift, directing them to appropriate offices and staff
- Responded to multi-line phone system, **directing calls with wait times less than 90 seconds**, and answered emails
- Managed customer accounts, and suggested improved organization method that reduced time spent finding information by 13%
- **Supported 6 office advisors**, overseeing their appointment calendars, booking accommodations, and typing memos
- Handled inventories, and ensured copy machine and printer remained functional, replacing toner and removing jams
- Maintained lobby appearance, sweeping, dusting, and rearranging furniture and entertainment selections
