PROJECTS

Volunteer

📅 2023 - 2024

- **Led six volunteers** in preparing 91 meals per day, ensuring proper portioning and safety protocols were followed
- Managed inventory using detailed tracking methods, reducing food waste by 12% while ensuring adequate supplies for weekly meals
- Developed relationships with local vendors to procure fresh ingredients, saving \$1,311 per year in supply costs
- Processed customer feedback surveys, which led to the identification of four key areas for menu improvement

Vendor

📅 2022 - 2023

- Handled over 71 customer purchases per day using Toast POS with the utmost accuracy during peak market hours
- Cultivated relationships with regular customers and promoted healthy eating, **spurring a 28% increase in repeat visits** over three months
- Designed a simple inventory tracking system using OpenTable, reducing stock shortages and overstocking by 11% each month
- Executed cross-selling strategies across complementary products, boosting average transaction value by \$4

Pastry Showdown

Participant

📅 September 2021

- Created a gluten-free dessert that received praise for both taste and texture, expanding audience appeal and **earning a 9.2/10 score** in the competition
- Formulated and tested a new pastry technique that improved presentation and texture consistency, resulting in a 98% flawless execution on competition day
- Coordinated with nine fellow participants to cut down on clutter, ensuring smoother operations during the event
- Persuaded event organizers to showcase pastries, driving a notable increase in attendee inquiries about future catering opportunities

CAREER OBJECTIVE

Motivated individual passionate about customer service, seeking an entry-level server position at Chili's. My experience volunteering at a community kitchen, running a stall at the local farmer's market, and participating in a baking competition has equipped me with strong teamwork, customer interaction, and food preparation skills to deliver exceptional dining experiences.
