CAREER OBJECTIVE

Passionate entry-level social worker aiming to join the Los Angeles Unified School District (LAUSD) and make a meaningful impact in the lives of students. Eager to apply my project experience and tenacity to help diverse groups of youth excel academically and be a part of LAUSD's mission to student welfare.

WORK EXPERIENCE

Community Outreach Intern

TreePeople

June 2023 - August 2023 / Los Angeles, CA

- Created a report on the correlation between the health of 1,259 local citizens and their nearby environment conditions with data from Cerner.
- Boosted the organization's online presence using digital marketing tools, resulting in a 19% increase in social media followers.
- Organized a series of webinars on the importance of conserving nature, gaining an average of audience of 37 per session.
- Partnered with 6 local schools to hold an environmental clean-up event, **attracting 194 students** and collecting 312 pounds of recyclable materials.

PROJECTS

EmpowerYouth

Researcher & Presenter

2022

- **Led a comprehensive 2-month research project** on youth empowerment programs, mentoring 4 research students.
- Used Google Drive folders for organizing all data, maintaining the confidentiality of people interviewed with access restriction.
- Leveraged Talkspace for conducting remote interviews, and getting information from 14 distant underserved communities.
- Presented research findings on youth empowerment programs in detail to a class of 43 students and 11 faculty members.

DiversityDialogue

Attendee

2021

- Engaged in 3-panel discussions, understanding complex issues found in social work events.
- **Held 9 virtual meetings on Google Meet**, discussing the importance of diversity and inclusion initiatives with local citizens.
- Learned global diversity issues in social work by participating in discussions that included unique perspectives from 19 countries.
- Developed a 2-week action plan to add cultural competence in daily life.
