

Bryan Glover

Entry Level Social Worker

Entry Level Social Worker, soon to obtain my Master's Degree in Social Work, with two years of experience working with youth and teens including program management, treatment plans, and motivating care for children with behavioral disorders. Demonstrated ability to collaborate with all members of the care team. Seeking a social services agency opportunity to continue improving lives of children and their family.

Work Experience

One Brooklyn Health System

Social Work Intern

2020 - current | Houston, TX

- Provide individual assessment, treatment plans, and psychotherapy services to a diverse teenage population diagnosed with learning disabilities and behavioral disorders.
- Lead afterschool mentoring program for teenage boys to encourage self-esteem and teamwork with fellow classmates, friends, siblings, and family.
- Collaborate with social workers and psychiatrists to create individual treatment plans for each client.

Community Healthcare Network

Social Work Intern

2019 - 2020 | Houston, TX

- Provided program support for small groups of youth (ages 5 - 10), diagnosed with attention disorder, anxiety, and depression.
- Developed and implemented various forms of games and play to develop clients' self-confidence and social skills.
- Participated in meetings between parents, psychiatrists, and social workers to develop unique academic plans for each client.
