## WORK EXPERIENCE

### Registered Nurse

#### Clipboard Health

📅 December 2018 - current 📍 San Francisco, CA

- Worked with 16 healthcare staff to create treatment plans, providing accountability for patients and monitoring vital signs
- Coordinated and implemented nursing activities while preparing notes for any assessment and care given, providing presentations at hospital board meetings 4 times a year
- Administered a wide variety of services, including catheterization, tube feedings, applying and changing bandages, colostomy, taking blood, and assisting with ADLs
- Saw about 12 patients per day, meeting with team 30 minutes prior to start of shift to discuss patient charts and goals

### Registered Nurse

#### Hospice East Bay

📅 February 2015 - November 2018 📍 San Francisco, CA

- Served as hospice and palliative care resource to 6 hospitals, clinic staff, and the community
- Defined and interpreted agency services, criteria and policies to hospital personnel, physicians, patients, families, and other community resources
- Organized community education efforts, and participated in 20+ speaking engagements surrounding hospice care
- Acted as the primary contact to Residential Care Facilities and Assisted Living Facilities while working with State regulatory personnel in the California Department of Social Services

### Registered Nurse

#### Harmony Home Health

📅 August 2012 - February 2015 📍 San Francisco, CA

- Completed initial assessment of patient and family to determine home health needs by providing a physical assessment and history of current and previous illnesses
- Developed a care plan for over 200 patients, establishing goals based on nursing diagnosis and incorporating the therapeutic, preventative, and rehabilitative nursing actions
- Communicated health care instructions to the patient per assessment and plan of care in a clear, empathetic way, responding to patient messages within 24 hours
- Collaborated with home health professionals to see improvement in goal achievement by 32%
