WORK EXPERIENCE

Ditmas Park Rehabilitation - Senior Physical Therapist

2019 - current

San Francisco, CA

- Maintained superior grasp of 5+ specialty areas, including oncology, pediatrics, sport, wound management, and geriatric therapy.
- Created facility taskforce to enforce 100% compliance with thorough exam protocols and proper machine use.
- Used knowledge of PT specializations to mentor and guide 4 staff members and interns on best practices for unique patient needs.
- Assumed responsibility as PT supervisor and manager as required.
- Acted as primary clinical instructor for 5+ City College of San Francisco DPT per semester.
- Established strong working relationships with 20+ department and interdepartment staff members.

Brookdale Medical Center - Sports Physical Therapist

2015 - 2019

San Francisco, CA

- Utilized best practices in patient evaluation, asking questions to determine potential underlying dysfunction while demonstrating compassion and empathy, receiving 10+ exemplary patient reviews.
- Performed more than 20 evaluation techniques, including the use of gait observation, functional ability, body mechanics, respiration rate, and balance.
- Taught 8+ patients per day on the effective use of home exercises, hastening the healing process for common sport-related strains by an average of 8 days.
- Mentored 5+ DPT and PTA students on hard skills such as taping and TENS techniques.
- Encouraged patients and un-injured clients to log improvement in balance, coordination, and flexibility, resulting in higher motivation levels.

Motion PT Group - Physical Therapist Assistant

2011 - 2015

San Francisco, CA

- Assisted physical therapists by preparing treatments and equipment before patient arrival, reducing wasted time during appointments by 10+ minutes.
- Scribed for physical therapists, utilizing medical recording systems to input patient progress, saving PT's time and opening up time for them to visit with 3+ extra patients per day.
- Aided patients in performing exercises, providing support and encouragement, limiting patient frustration and gaining 5 exceptional reviews from PT's.
- Participated in 6 staff training events, receiving training on 8+ specialized modalities.
