WORK EXPERIENCE

Senior Police Officer

State of Colorado

2012 - current / Denver, CO

- Served as leader of team of 6 in the unit's anti-terrorism department, pursuing terror suspects.
- Investigated crime scenes, identified and interrogated over 100 suspects to establish motive of crime, among other aspects of police investigations.
- Prepared written reports during and after police investigations and presented them in court when needed.
- Coordinated with other law enforcement agencies, including the FBI and the Department of Homeland security to bring suspects to book.
- Trained over 70 junior police officers, including members of the team unit on the latest trends in crime.

Police Officer

Denver Police Department

2003 - 2012 / Denver, CO

- Patrolled and protected the city's most crime-ridden neighborhoods for 4 years, reducing the level of crime by 20%.
- Participated in community gang outreach programs, reducing the growth of gangs and transformed over 100 gang members to a crime-free living.
- Supervised and coordinated a team of 12 patrol officers targeting various crime hotspots within Denver.
- Mentored students in local schools to promote positive living and a crime-free society.
- Named Denver Police Department Police Of The Year in 2010, and finished runners-up in the following year.

Police Officer - Patrol

Denver Public Schools

2001 - 2003 / Denver, CO

- Responded quickly to emergencies and performed CPR and First Aid before arrival of paramedics.
- Patrolled school perimeter 7 times a day, preventing property damage and criminal activity within the school.
- Protected over 400 students and 50 staff from school-related crimes, including shootings, bomb threats, and petty disturbances.
- Participated in school drug awareness programs, guiding and counselling students on career choices and life after school.
- Provided security to students, staff and community during inter-school athletics and other major events.
- Enforced traffic laws in school zones and issued speeding tickets to violators, reducing road accidents in school zones by 50%.
