## CAREER OBJECTIVE

High-energy stylist with enthusiasm for building client's confidence with specialized hair techniques and treatment of the whole person. I'm looking to apply my skills at a fast-growing, trendsetting company like Madison Reed while continuing to expand my industry expertise.

## WORK EXPERIENCE

### Hairstylist

Norcross Hair Salon

2019 - current / Norcross, GA

- Grew personal clientele to over 100 people and became the third-highest-grossing stylist at the salon
- Cut, styled, colored hair, and performed scalp treatments
- Maintained a detailed notebook of client preferences to improve the comfort of 80+ returning clients
- Developed strong relationships with 18+ vendors to ensure the salon was stocked with the best products
- Conversated with clients to better understand their requirements and make suggestions for improving their appearance and boosting confidence
- Applied makeup to create over 27 different looks according to client requests

### Receptionist

Dominican Hair Salon by Rossy

2017 - 2019 / Norcross, GA

- Launched a program to follow up with clients who canceled, resulting in a boost of 11 new clients every month
- Implemented weekly "Trends" catch-up where a stylist would instruct the team about emerging trends in hairstyling
- Answered 4 telephones, greeted clients, and answered client inquiries 5 days per week
- Matched new clients with hairstylists based on their preferences
- Operated the cash register and ensured it was balanced at the end of the day, 5 days per week
- Organized client files alphabetically and digitally, reducing wasted labor time by 6%
