WORK EXPERIENCE

Southern California Hospital at Culver City

Certified Nursing Assistant- Hospital

Culver City, CA | 2018 - current

- Provided personal care to patients such as bathing, shaving, and bed baths. Also assisted with ambulation, positioning, lifting, feeding, hygiene, and bedpan maintenance.
- Prepared patient rooms for new admission by providing fresh linen, cleaning overbed table and bedside stand, and setting personal use items such as water carafe, masks and Kleenex.
- Made regular daily rounds to patients, during which I obtained vital signs, delivered lab specimens, and answered patient call lights.
- Cleaned patient care equipment including IV pumps, IV stands, wheelchairs, microwave, K-pads, bedside commodes and refrigerator.
- Led the monthly patient offsite activity to places like museums, movie theaters, and concerts which patients regularly praised. Also assisted in arts & crafts activities with patients.

Brotman Medical Center

Certified Nursing Assistant

Culver City, CA | 2017 - 2018

- Provided daily morning care which included activities such as bed baths, showers and whirlpools; oral hygiene; combing hair; back care; changing bed linens; cleaning overbed table and bedside stand; and straightening room.
- Provided general nursing care by positioning patients, lifting and turning patients, applying/utilizing special equipment, assisting patients with the bedpan, commode, and assisting in ambulating patients.
- Prepared patients for meals by serving and removing food trays and feeding patients as necessary.
- Answered patient call lights, anticipated patient's needs and made regular rounds to assigned patients.
