EDUCATION

B.A.

Early Childhood Psychology
University of Southern
California
2014 - 2018
Los Angeles, CA

CAREER OBJECTIVE

Loving and dedicated nanny eager to help a family navigate the exciting yet terrifying journey of infancy. My educational background in early childhood development, coupled with extensive experience, would make me a great fit for the Standish family.

WORK EXPERIENCE

Infant Nanny

Private Family of Four

2018 - current / Austin, TX

- Planned, shopped for, and prepared 10+ healthy weekly meals for children
- Engaged children in learning basic cooking skills during meal prep 5 meals per week
- Organized a local 10-family bi-weekly meetup of nannies and children to provide socialization with other children
- Implemented physical activity and music education by organizing sports, devising outdoor games, and teaching the basics of piano 3 days per week
- Executed childcare-related tasks such as keeping common areas clean, general tidying, and laundry
- **Exceeded daily scheduling needs for 2 children** (1 and 3 years old) and managed feeding, changing, and naps for the infant
- Assisted in many necessary parts of early childhood education, including walking, speaking, and potty training
- Exposed children to the Spanish language and **practiced with them 4 days per week in structured and unstructured settings**
- Ensured the stocking of 100% of necessary supplies such as diapers, food, and toiletries
- Maintained the health and happiness of 2 dogs, a Mini Yorkie and a Bernedoodle
