WORK EXPERIENCE

Med Surge Nurse

Del Seton Medical Center

📅 2019 - current 📍 Austin, TX

- Evaluated medical needs, and provided direct and individualized bedside care to 4-7 pre- and post-surgery patients each shift.
- Changed dressings, inserted catheters, and started IVs.
- Adjusted specialized medical equipment as needed, and interpreted and recorded measurements.
- Monitored patients' vitals and reported adverse reactions to medications within 24 hours.
- Collaborated on discharge planning and patient education with the healthcare team.
- Educated patients and families on surgical procedures and post-surgery care, following up with families on outstanding questions within 8 hours.
- Maintained and updated patient files, medical charts, and electronic health records with 100% compliance to HIPPA.

Registered Nurse (RN)

Ascension Seton Medical Center

📅 2016 - 2019 📍 Austin, TX

- Assisted in the delivery of over 90 newborns in one of the largest hospitals in Austin.
- Performed hearing and heart screenings on newborns immediately after birth to ensure their well-being.
- Worked closely with new parents to provide instructions on caring for their newborn outside of the hospital.
- Took vitals and performed triage for 17 babies born in adverse conditions.
- Ensured 100% HIPPA compliance of entire nursing staff through regular education and seminars.
- Trained 4 nurses on departmental best practices for patient care and communication.
