

Danielle Oyewo

Medical Esthetician

Medical esthetician with several years of experience from multiple clinics performing the full range of skin care treatments. I quickly and easily build close relationships with my clients, and a client who feels heard and respected is a returning client. I deeply enjoy this service career and look forward to continuing to assist people in their skin care journey.

WORK EXPERIENCE

Juvly

Medical Esthetician

Boston, MA | 2018 - current

- Conducted first-time client consultations, explaining in detail the science and process behind all treatments, and confidently answered all the clients' questions. This resulted in a 9% increase in repeat customers
- Developed personalized ongoing skin care regimens utilizing a combination of skin care products and in-house treatments
- Performed skin care and skin refinement procedures including facials, chemical peels, and facial waxing
- Maintained positive and friendly relationships with clients to maintain and improve client return rates leading to recognition as employee of the year in 2019

Garden OBGYN

Medical Esthetician

Boston, MA | 2016 - 2018

- Worked closely with clients to understand their skin care objectives and made educated recommendations for meeting those objectives to improve client outcomes by 10%
- Provided medical grade aesthetic facials tailored to the skin condition and goals of the client
- Maintained an extensive knowledge of professional grade skin care products and services in order to best assess the client's needs
- Skillfully executed body and facial waxing to minimize pain and sensitivity for clients

Private

Nanny

Boston, MA | 2014 - 2016

- Met daily scheduling needs for both children (3 and 5 years old)
- Created educational activities customized to each child and their specific needs
- Prepared fresh and healthy meals for children that introduced them to new foods
- Managed all aspects of the household including organizing schedules, groceries, cleaning and laundry
