WORK EXPERIENCE

Clinical Rotations

Colorado State Community Dental Center

📅 2019 - current

📍 Denver, CO

- Studied and practiced in 4 rotations: anesthesia and sedation, emergency medicine, medicine, and advanced dental care
- Examined, diagnosed, and treated 500+ patients with a wide array of oral care needs from routine cleaning to surgically placing implants
- Selected appropriate methods for pain and anxiety management, and communicated goals with patients, taking time to listen and answer questions about procedures
- Joined a hand-selected team for a 3-week project to travel to primary schools in Honduras to provide restorative care, cleaning, and education for oral hygiene and prevention

Lab Research Assistant

Clingroup

📅 2018 - 2019

📍 Denver, CO

- Provided support for 5 lab workers in animal studies by implementing their designed projects
- Prepared tests, and logged all methodologies and outcomes, communicating verbal and written reports to team 1-2 times per week
- Managed lab records, and reorganized the filing system by creating digital folders to match paper files, improving lab efficiency by 12%
- Sterilized and properly stored lab equipment, sanitized lab, maintained inventory, and labeled samples

Lab Research Assistant

Northwell Health

📅 2017 - 2018

📍 Denver, CO

- Worked with mammalian cell culture, assisting lab workers by reprogramming patient-derived cell lines
- Carried out experiments, and tested lab workers' hypotheses
- Recorded diligent lab reports with methodologies and results in Microsoft that accelerated subsequent tests and experiments by an average of 2 weeks
- Cleaned lab in compliance with all safety procedures, and prepared equipment and media for the following day during the last 30 minutes of each shift
