Work History

Foggy Bottom EMS

Volunteer EMT

January 2017 - current | Foggy Bottom, DC

- Volunteered as an EMT for one night-shift per week in one of the busiest areas in the Metro DC area
- Provided basic patient assessments to assess severity of patient condition and provided BLS to treat those conditions
- Performed CPR and administered AED for patients without heart beat
- Stabilized patients with life-threatening conditions and quickly transported them to area hospitals for further treatment
- Worked as part of a 3-person team to treat patients and get a deeper understanding of their medical and family histories

George Washington University

Clinical Rotations

2017 - 2019 | Washington DC

- Spent two years working across the GWU network of hospitals and performed clinical rotations across 7 different departments
- As part of a community nursing rotation led presentations to local residents detailing sex-education best practices to reduce STD rates
- During rotation in Geriatrics provided comfort to terminal patients and visited patients outside of rotation work to foster those relationships
- Administered tests and IV treatment during time in Gastroenterology and developed a holistic understanding of diagnostic procedures
- Worked across all stages of labor during OB rotation and learned to identify false labor, how to check fetal heart rates, and how to deliver in the case there is no provider available in an emergency
