WORK EXPERIENCE

Staten Island University Hospital - Maternity

Registered Nurse

Staten Island, NY | April 2018 - current

- Assisted in delivery of newborns in one the largest hospitals in Staten Island
- Performed tests on newborns immediately after birth to ensure their well-being
- Worked closely with new parents to provide instructions on caring for their newborn outside of the hospital
- Took vitals and performed triage for babies born in adverse conditions
- Ensured HIPPA compliance of entire nursing staff through regular education and seminars
- Trained new nursing staff on departmental best practices for patient care and communication

Staten Island University Hospital - NICU

Registered Nurse

Staten Island, NY | August 2015 - April 2018

- Worked with newborns administered to the ICU
- Built trust with parents and kept them in the loop on the care issued to their children
- Oversaw care for over 10 newborns on any given shift
- Provided detailed instructions to parents to ensure proper care for newborns after their discharge from the NICU

Dr. Angela Lamb Dermatology

Registered Nurse

New York, NY | August 2012 - August 2015

- Administered primary care and assessments for outpatient procedures at the dermatology practice
- Educated patients and provided instructions for post-op care
- Worked closely with Dr. Lamb to provide plan-of-care for burn victims to ensure mental and physical well-being
- Assessed patient vitals and performed necessary lab tests
