

César Cabal

Registered Nurse (RN)

Registered Nurse (RN) eager to utilize my hands-on EMT and clinical rotations experience in a widely regarded hospital like the Heart Hospital of Austin. My exposure to CPR and using an AED have made me particularly interested in heart health.

WORK EXPERIENCE

Community Volunteer Fire Department

Volunteer EMT

Austin, TX | 2019 - current

- Volunteered as an EMT for one night-shift per week in one of the busiest areas in the Austin area
- Provided basic patient assessments to assess severity of patient condition and provided BLS to treat those conditions
- Stabilized patients with life-threatening conditions and quickly transported them to area hospitals for further treatment
- Worked as part of a 3-person team to treat patients and get a deeper understanding of their medical and family histories
- Performed CPR and administered AED for patients without heart beat

South University Austin

Clinical Rotations

Austin, TX | 2020 - 2021

- Spent two years working across a network of hospitals and performed clinical rotations across 7 different departments
- As part of a community nursing rotation led presentations to local residents detailing sex-education best practices to reduce STD rates
- During rotation in Geriatrics provided comfort to terminal patients and visited patients outside of rotation work to foster those relationships
- Worked across all stages of labor during OB rotation and learned to identify false labor, how to check fetal heart rates, and how to deliver in the case there is no provider available in an emergency
- Administered tests and IV treatment during time in Gastroenterology and developed a holistic understanding of diagnostic procedures
