HIPAA regulations

CERTIFICATIONS

Registered Nurse (RN), WA
Basic Life Support (BLS), 2021
CPR (American Red Cross), 2021

CAREER OBJECTIVE

Licensed Registered Nurse (RN) excited to apply my comprehensive nursing education and hands-on experience to a full-time position in a Level-1 trauma center like Bellevue Hospital. A strong work ethic and empathetic touch have made me a valuable advocate for both patients and their families.

WORK EXPERIENCE

Student Nurse Technician

Virginia Mason Hospital / 2021 - current / Seattle, WA

- Assisted patients with personal and daily care, such as bathing (bed bath, chair at sink, tub and shower), oral hygiene, shaving and hair care.
- Delivered meals and snacks, feeding patients who were unable to feed themselves and documenting oral intake, including supplements.
- Turned and positioned immobile patients safely while maintaining proper body alignment; participated in mobility program.
- Removed peripheral IV's as directed by RN.
- Transported patients to designated areas, such as to and from various treatment centers.
- Answered patient call lights and performed services that added to the physical well-being of the patient.
- Obtained vital signs, height, weight and demographic data.
- Assisted with urinary catheter removal, finger stick blood sugars, routine urine and stool specimen collection, ostomy care, emptying drainage receptacles/tubes, bladder scan.

Clinical Rotations

University of Washington / 2020 - 2021 / Seattle, WA

- Performed CPR as part of ICU rotation for patients who were coding.
- Assisted in triaging severity of patient conditions by performing detailed medical assessments and taking patient vital signs.
- As part of nursing curriculum had clinical rotations in ICU, Oncology, Neurology, Medical-Surgery, Pediatrics, and Geriatrics.
- Provided assistance to nursing staff during these rotations with an empathetic approach to quickly build patient trust.
- Learned about various lab tests vital to the diagnosis and treatment of different patient types in each ward.
