WORK EXPERIENCE

Flu Nurse

Platte River Family Practice

📅 April 2020 - current 📍 Casper, WY

- Administered 75 vaccines per shift, **exceeding targets by 14%**
- Educated all patients on vaccine safety and protection, encouraging 30+ vaccine-hesitant individuals to get vaccinated
- Utilized best safety practices, ensuring safe needle handling and 0 instances of needle injury for patients or staff
- Identified patients with potential allergies, averting 3 possible severe adverse reactions for individuals with egg allergies

Blood Donation Center Intern

Inova Blood Donor Services

📅 2019 - 2020 📍 Casper, WY

- Answered volunteer questions, handed out cookies after donations, increasing the **rate of repeat donations by 8%** and improving donor satisfaction on surveys by 17%
- Utilized an Inova vehicle to deliver blood from donors to patients at hospitals, helping patients receive urgent blood transfusions in 12 instances
- Adhered to 100% of safety standards, ensuring seating, armrests, and equipment were sterilized between donations
- Engaged with blood donors, encouraging continued future participation, and ensuring all 33 donors per shift understood the positive impact and importance of their sacrifice

#ProjectHealthy

Campaign Organizer

📅 2017 - current 📍 Casper, WY

- Developed social media campaign to raise awareness of the importance of receiving vaccinations, receiving a 2018 Community Educator award from the CDC
- **Gained a following of 152K** using the #ProjectHealthy hashtag to support vaccines
- Fundraised \$330K to support the Gates Foundation's efforts to make vaccines accessible worldwide
- Attended 24 conferences on immunology, vaccinology, and public vaccine perceptions

OBJECTIVE

Thoughtful and considerate Office Nurse with a BS in nursing and 3 years of relevant experience. Seeking employment with Bastion Health Center, where my experience working with vaccine-hesitant populations could contribute to improving vaccine acceptance rates and enhancing patient perception.
