### WORK EXPERIENCE

#### Fountain Pediatric Dentistry

Pediatric Dental Hygienist

San Francisco, CA | 2019 - current

- Provide pediatric dental care services to 14 pediatric patients (ages 2 - 14) daily, ensuring that the clinic's high standards of patient satisfaction and safety are always fully met.
- Excellent care of pediatric patients with disabilities including cerebral palsy, Down Syndrome, and autism; compassionate and confident in understanding their needs and limitations while providing an educational and fun dental visit.
- Identify any oral health issues, advise patients' parents on dental hygiene, and skillfully take impressions, examine gums, clean teeth, and create treatment plans unique to each patient and their needs.

#### Park Slope Dentistry

Pediatric Dental Hygienist

San Francisco, CA | 2010 - 2019

- Treated 8 pediatric patients (ages 1 - 12) daily including examination, teeth cleanings (polished, flossed, and brushed teeth), and scheduled follow-up appointments; always provided friendly customer service and following patient safety protocols.
- Provided a gentle and caring attitude to make the dental visit fun and educational while using behavior management training to ensure children and adolescents have a safe and comfortable visit.
- Ensured high-end personalized service for patients through quality care, individualized attention, and exceptional communication with patient's parents.
- Actively participated in outreach programs for uninsured / under-insured children; education on proper nutrition and oral home care.

#### Smile Network

Dental Assistant

San Francisco, CA | 2008 - 2010

- Trained on-the-job in taking and developing x-rays, preparing and sterilizing dental equipment, taking impressions of patients' teeth for study casts, and teaching appropriate oral hygiene strategies.
- Provided friendly front office management including greeting patients, answering phone calls, scheduling appointments, and billing insurance forms.
- Enhanced professional growth and development by participation in educational programs, in-service meetings, and workshops.
