Work Experience

JFK Elementary School – Preschool Teacher Assistant

2019 - current

Denver, CO

- Worked collaboratively with the Head Teacher, family members, and other staff to achieve positive outcomes for children of all abilities.
- Assisted the Head Teacher in the development and implementation of classroom lesson plans and classroom management.
- Actively engaged in activities such as managing cleanliness, maintenance, and availability of classroom materials.
- Provided individual support to students whenever needed to ensure progress in the curriculum.

Dayton Daycare – Daycare Teacher Assistant

2015 - 2019

Denver, CO

- Greeted students and parents as they entered to create a welcoming, open, positive learning environment.
- Maintained personal professional development plan to ensure continuous quality improvement and introduced this plan to 4 other teacher assistants.
- Established relationships with families of students to create a holistic, supportive environment whether at school or at home.

Orange Ave Middle School – Teacher Assistant

2012 - 2015

Denver, CO

- Ensured all safety and emergency procedures were followed by attending quarterly district wide meetings.
- Created individualized curriculum for all 4 students under my direct supervision and monitored progress against those goals.
- Created and graded homework assignments with an emphasis on giving practical, insightful feedback.

Certifications

- Certified Teacher Assistant, CO
