WORK EXPERIENCE

Real Estate Photographer

Douglas Elliman Real Estate

2021 - current / New York, NY

- Planned virtual open houses using Matterport, attracting an average of 2,744 online viewers per event and generating 16% more inquiries from interested buyers.
- Led a comparative analysis of property listings with and without HDR images edited in Photomatix, revealing a **48% higher conversion rate** for listings featuring HDR-enhanced visuals.
- Implemented a color grading technique with B&H Photo Video software for creating property photos with a distinct aesthetic, witnessing a 14% boom in repeat business.
- Employed BoxBrownie's virtual furniture placement service to display vacant spaces, achieving a 21% increase in sales.

Photographer Assistant

JCPenney Portrait Studios

2018 - 2021 / New York, NY

- Collaborated with lead photographers to capture studio portraits using Canon EOS 5D Mark IV, resulting in a **\$13,584 uplift in the studio's portrait sales**.
- Created before-and-after photo comparisons in Adobe Photoshop to showcase the studio's editing to clients which grew demand for add-on retouching services by 11%.
- Ideated themed photoshoot concepts using RoomSketcher, attracting a new customer base and increasing bookings by 27%.
- Captured aerial footage of studio locations and outdoor sets with DJI GO 4, contributing to a 9% rise in upsell revenue.

Junior Photographer

B&H Photo Video

2016 - 2018 / New York, NY

- Edited and synchronized audio for 17 product demonstration videos using Adobe Premiere Pro with clear audio quality, **boosting video watch time by 3.2 minutes**.
- Conducted on-location photoshoots for 22 events, delivering high-quality images featured in B&H Photo Video's marketing materials.
- Assisted senior photographers in setting up equipment for on-location photo sessions, shrinking setup time by 2.6 hours.
- Coordinated with the IT department to create customized Dropbox folders, leading to a 34% cut down in file mix-up issues.
