WORK EXPERIENCE

Clinical Rotations

Georgia State Dental Center
2020 - 2021 / Atlanta, GA

- Provided comprehensive dental care under instructor supervision for over 400 patients, ranging from pediatric to geriatric care
- Practiced emergency care, committing to on-call status at children's hospital 3 times each month
- Learned the pharmacology for and administered anesthesia and oral sedation for 75+ patients
- Attended 100 hours of dental association conferences and trainings
- Supported instructors with implants and root canals, performing 15 independent root canals in last month

Volunteer

FeelWell Community Clinic
2019 - 2020 / Atlanta, GA

- Provided office and administrative support 3-4 hours a week
- Used Microsoft Office to design, draft, and edit 225+ pamphlets, flyers, and memos for patient health education
- Conducted research as needed concerning insurance, office inventory, and tech support for office equipment
- Ran copies, scanned documents, and organized filing system, reducing paper waste by 16%

Research Assistant

Headlands Research
2017 - 2020 / Atlanta, GA

- Gained knowledge in medical terminology, and communicated with research staff, clinicians, patients, and prospective subjects
- Gathered clinical information, protecting patients' privacy and adhering to HIPPA 100% of the time
- Provided inclusion and exclusion rules to prospective subjects, enrolled patients into trials, and updated records in data system
