## WORK EXPERIENCE

---

### **Stephen Einstein & Associates, P.C. - Associate Attorney**

2018 - current

Denver, CO

- Retained by an audit committee to conduct an internal investigation into issues involving work-in progress inventory accounting
- Represented an accounting firm partner in an SEC investigation of audits of an investment advisor that allegedly was running a Ponzi scheme
- Represented former directors and officers in a failed private placement start-up company in an SEC investigation of allegedly false and misleading financial disclosures connected to the company's efforts to raise capital

### **Liebert Cassidy Whitmore - Associate Attorney**

2016 - 2018

Denver, CO

- Navigated a regional bank through an SEC investigation of the bank's accounting for and disclosure of its allowance for loan and lease losses related to its commercial loan portfolio
- Represented a financial institution in parallel investigations, and charges, by the SEC, DOJ, and New York Attorney General related to disclosures of financial-crisis mortgage-related losses resulting in a favorable judgement
- Defended the chief accounting officer of a public company in SEC and criminal investigations and charges involving manipulation of bad debt write-offs, premature revenue recognition, related party transactions, and capitalization of expenses

### **Mayer Brown LLP - Summer Intern**

2014 - 2014

Denver, CO

- Assisted lead attorneys in a variety of complex and innovative financing transactions with a focus on secularizations and structured products including CLOs and credit cards
- Performed legal research on new regulatory issues regarding collateralized debt obligations in the state of Colorado to better be able to assist clients
