Seasoned DPT Licensed Physical Therapist with 8+ years of experience. Seeking opportunity to utilize skills developed in advanced electrical PT modalities at Carlsbad Health Alliance.

WORK EXPERIENCE

Physical Therapist

Tone House

📅 2017 - current 📍 San Diego, CA

- Collaborated with 25+ outpatient staff members to provide thorough, cohesive care plans.
- Guided 5 PTA students and degree-holders on patient assistance and proper cane-use instructions.
- Communicated effective at-home band and stretching exercises to patients, reducing time to total recovery by 15%.
- Assessed patient needs and generated specialized treatment plans accordingly, establishing timelines and readjusting as needed, improving patient follow through by 20%.
- Performed 12+ therapeutic treatments, including hot, cold, traction, laser, ESTIM, TENS, and iontophoresis therapy.

Physical Therapist

Fox Rehabilitation

📅 2014 - 2017 📍 San Diego, CA

- Coordinated outpatient management plans alongside psychologists, nutrition counselors, speech therapists, and 5+ other rehabilitation specialists.
- Established self-evaluation checklist for patients, improving motivation and follow-through by 10%.
- Accomplished at delivering 8+ therapeutic modalities, including the use of LEDs on injured tissues.
- Aided 10+ patients per day in performing therapeutic exercises and balance training, ensuring the use of proper form.
- Utilized manual therapy, including mobilization, stretching, and manipulation of joints before therapeutic exercise.

Physical Therapist

Centers Health Care

📅 2012 - 2014 📍 San Diego, CA

- Compassionately interacted with patients, displaying genuine care for their wellbeing and receiving 30+ positive reviews on patient feedback surveys.
- Consulted 2+ new patients per day on symptoms, including diagnosing and developing unique plans for their dysfunction.
- Monitored patient progress through careful observation and routine diagnostic evaluations, resulting in 5% faster release from care than national averages for stroke and automobile accident patients.
- Maintained 35+ regular patients, and a 15% lower drop-out rate than center average.
