

Justin Green

Software Engineer

Experienced software engineer who has built applications to service customers in industries with stringent technical requirements. Looking to utilize my skillset in translating complex business requirements into easy-to-use web apps to streamline new business creation at a company like Gusto.

WORK EXPERIENCE

Xero

Software Developer

Washington DC | January 2017 - current

- Worked on the Payments team to save over 110,000 customers time and improve cash flow through the development of modern, responsive customer experiences
- Led the migration from AWS to GCP for the team to reduce cloud costs by \$370,000 per year
- Worked closely with the product team to re-configure the processing of invoices, saving customers over 45,000 manual hours of work per month
- Mentored 2 junior front end developers on the team on React and documentation best practices within the organization

Envision Healthcare

Front End Developer

Washington DC | January 2014 - December 2016

- Contributed to the in-house UI library to create reusable components that saved over 150 hours of development time per month
- Created a web app MVP for a store delivery management platform with 100+ business customers to create, manage, and monitor deliveries using React and Redux
- Added new features to a meditation app with 30,000+ monthly active users to enable the uploading of audio and video content using React and Redux
- Through A/B testing of different components and combinations improved customer conversion rate by 12%, representing \$250,000+ in incremental annual revenue

PROJECTS

Party Playlist

- Used the Spotify API to create a web app that allows invited party-goers to vote on the songs to be played next
- Utilized Django, HTML, and CSS to create a UI that made it easy to recommend new songs to be played and vote on songs already recommended

SKILLS

- Python (Django)
- SQL (PostgreSQL, MySQL)
- Cloud (GCP, AWS)
- JavaScript (ES6, React, Redux, Node.js)
- Typescript
- HTML/ CSS
- CI/CD

EDUCATION

Bachelor of Science Computer Science

Carnegie Mellon
University

2008 - 2012

Pittsburgh, PA
