CAREER OBJECTIVE

Dedicated school social worker with 12 years of experience working with adolescents in an educational setting. Specialized in providing relief services to teens, low-income households, pregnant and parenting teens, and at-risk youth. Adept at gaining trust, rebuilding family dynamics, and developing sustainable solutions.

WORK EXPERIENCE

School Social Worker

Ascend High School

📅 2013 - current 📍 Atlanta, GA

- Evaluate and address student (ages 14-18) needs and concerns, including mood disorders, grief counseling, family maintenance, emergency response, and ADHD/ADD.
- **Conduct mental assessments** in school and home settings of adolescents receiving child welfare and prevention services.
- Write petitions, court reports, case plans, and other legal documents, maintaining 100% accurate case history records.
- Created and led staff training 3 times per year surrounding cultural, economic, familial, and other aspects that impact children's wellbeing.

Social Worker

Johnston High School

📅 2011 - 2013 📍 Atlanta, GA

- Interviewed clients (ages 14-18) and their families to determine what services would best address the needs of the client and the family.
- Communicated with school district and welfare agencies to obtain and provide information to clients and families to create treatment plans to **improve care and well-being**.
- Developed workable solutions for recurring problems for clients and their families, and drafted feasible goals that helped families reconnect 15% more of the time.
- Performed assessments of students mental health, offered therapy, and developed progressive treatment plans.

Social Work Intern

JFK High School

📅 2009 - 2011 📍 Atlanta, GA

- Supported 2 high school counselors, and learned to develop and understand treatment plans, including psychosocial assessments and social work interventions.
- Provided social work support, including counseling/guidance, community resource planning, and crisis intervention.
- Developed a thorough knowledge of referral resources throughout the district, and updated documentation for more 100+ students.
- Assisted the counseling program by drafting policies, procedures, and guidelines for the program.
