### WORK EXPERIENCE

#### Senior Firefighter

San Diego Fire Department

2010 - current / San Diego, CA

- Operated 15+ types of machinery and equipment, including drip torches, fire shelters, halligan bars, and hydraulic tools
- Executed enhanced protocols for alarm response time, reducing time to arrival at scene by 5 minutes on average
- Drove fire trucks, establishing access routes to fire-vulnerable areas, decreasing time to contain and brush fires by 10%
- Conducted inspections on fire-resistant building codes and improvements, co-sponsoring a \$12M county-wide grant program for building improvements
- Trained 10+ junior firefighters and apprentices, providing constructive feedback and performance reviews

#### Firefighter

City of San Diego Fire Rescue

2007 - 2010 / San Diego, CA

- Awarded Medal of Valor for saving 8 individuals trapped in a collapsed building fire
- Responded to 300+ vehicle accidents, commercial and residential fires, brush fires, and forest fires
- Attended 40 hours of training events annually, updating knowledge of life-saving treatments and firefighting strategies
- Collaborated with 900+ county and state firefighters, coordinating fire and disaster responses seamlessly

#### Construction Worker

Michilli's

2005 - 2007 / San Diego, CA

- Organized workspaces and carried heavy equipment for framers, carpenters, electricians, and other trade workers, increasing on-site efficiency by 18%
- Generated checklist for fellow construction workers on safety regulations, reducing the risk of work-related injury by 5%
- Operated 10+ types of machinery, correctly reading 800+ instrumentation diagrams
- Reviewed 4 job sites weekly, collaborating with 20+ workers in estimating project length, cost, and equipment needs
- Adhered to 100% of safety rules and regulations and missed 0 shifts, resulting in supervisor commendation
