CAREER OBJECTIVE

Culturally aware and energetic recent graduate eager to build student connections at Tempe High School to positively impact learning and achievement. Ready to apply communication and leadership skills gained from my volunteer teaching and sales associate experience to foster student growth and development.

WORK EXPERIENCE

Sales Associate

Foot Locker

📅 2020 - current 📍 Tempe, AZ

- Helped plan in-store events, such as the annual spring sale, leading to an average of **32% increase in foot traffic and sales**
- Consistently exceeded monthly sales goals by 4% by actively promoting new shoes and upselling accessories
- Designed visually appealing merchandise and window displays, resulting in a 63% increase in sales for featured products
- Demonstrated exceptional customer service skills by maintaining a 97% satisfaction rating among customers

Caregiver

BrightStar Care

📅 2018 - 2020 📍 Tempe, AZ

- Supervised medication schedules for clients, ensuring timely administration of prescribed medications with no errors
- Completed household tasks, including laundry, cleaning, grocery shopping, and food preparation
- Partnered with physical therapists to lead patients in exercises weekly, **improving range of motion and mobility by up to 94%**
- Facilitated outings for each patient at least 2 times per week to reduce isolation and encourage socialization

PROJECTS

Volunteer Teacher

Ward Traditional Academy

📅 2019 - current

- Used Quizlet to create engaging and interactive reviews, which helped students improve performance by up to 2 letter grades
- Built interpersonal lessons like group projects and peer teaching, increasing student collaboration and communication by 44%
- Provided clear and timely feedback to students and parents, **resulting in a 91% satisfaction rate among parents**
- Coordinated weekly meetings with 8 fellow volunteers to discuss and improve classroom management strategies, build study materials, and generate ideas for engaging students
- Offered 1:1 support to students with learning differences or disabilities to improve performance by an average of 12%
