RESUME SUMMARY

Certified travel CNA with more than 13 years of CNA experience across hospitals, clinics, and homecare across the state of South Carolina. Over the course of my extensive career, I've improved collaboration among staff to reduce overtime needs by as much as 50%, while prioritizing patient experience and attaining nearly 100% positive patient feedback.

WORK EXPERIENCE

Travel CNA

Fusion Medical Staffing

📅 2018 - current

📍 Mount Pleasant, SC

- Adhered to Covid-19 precautions, reducing the risk of Covid-19 contraction among high-risk patients by 78%
- Collaborated with nursing staff and physicians during procedures, reducing time per procedure by 32% or more
- Charted patient progress, recording detailed notes that enabled 3 times faster transfer of patient information to primary staff

Travel CNA

Aya Healthcare

📅 2015 - 2018

📍 Union, SC

- Attained maximum overtime hours, achieving Most Dedicated Travel Nurse award at Aya Healthcare for 2 years
- Executed patient assessments for 14 patients per shift, including establishing rapport, taking vitals, recording patient data, updating files, and administering medication
- Spearheaded shift to automated medical recording software, reducing retrieval time by 2 minutes and saving \$4.6K
- Brainstormed techniques to reduce patient discomfort, resulting in basic room updates that boosted patient's satisfaction by 18%

CNA

Divine Purpose Healthcare Solutions

📅 2009 - 2015

📍 Anderson, SC

- Cultivated rapport with each patient to ensure personalized care, resulting in 98% positive feedback on patient surveys
- Collaborated with 28 primary nurses and 14 physicians to develop care plans and treat patients in 2 facilities
- Coordinated schedules with nurses, reducing the need for overtime by 28% and ensuring all 112 patients were cared for
- Advocated for the use of patient-focused, empathy-based care strategies, improving patient self-implementation of post-surgery suggestions by 14%
