### WORK EXPERIENCE

#### Vehicle Mechanic

Christian Brothers Automotive  
2015 - current / Pittsburgh, PA

- Headed checklist inspections for all vehicles each shift (35 vehicles per day)
- Exceeded expectations, performing extensive car washes that boasted positive customer reviews by 30%
- Monitored budgets, calling customers when anticipated costs rose 5% above estimates to gain trust
- Collaborated with 6 mechanics, technicians, and supervisors to enhance productivity
- Executed 5+ routine repairs per day, including oil changes, brake pad changes, tire rotations, and fluid refills

#### Vehicle Mechanic

Paul Miller Repair  
2013 - 2015 / Pittsburgh, PA

- Exceeded safety goals by using 3 types of personal protective equipment and practicing safe techniques when lifting heavy objects
- Accomplished a 4 car/day turnover rate for routine services
- Awarded Employee of the Year in 2014 for going above and beyond by mentoring all incoming technicians
- Adhered to customer budgets, ensuring 98% of vehicle services were within budget
- Achieved 95% positive reviews on customer feedback surveys
- Performed complex jobs like total engine replacements, communicating with suppliers to ensure 85% of parts arrived before labor

#### Cashier

ShopRite  
2010 - 2013 / Pittsburgh, PA

- Managed checkout inventory, making product suggestions that boosted checkout inventory revenue by 33%
- Collaborated with other cashiers, providing assistance as needed during peak hours and reducing staff turnover by 8%
- Spoke with customers during checkout, answering any outstanding questions and promoting discounts/sales
- Informed customers of loyalty rewards programs, signing up new members 10+ times per shift
- Directed support staff to assist customers if they asked for specific grocery items
